

## Specification Sheet

Part Number: 904-00295

**HellermannTyton** Wiring Duct Cutting Tool, 1/pkg

**Article Number**

904-00295

**Type**

Wiring Duct Cutting Tool

**Features & Benefits**

- Hand lever is ergonomically designed to reduce user fatigue.
- Measuring guide incorporates both imperial and metric values which eliminates the need for secondary measurement devices.
- Long lasting, hardened blade produces burr-free edges and improves productivity by eliminating the need for filing the edges after cutting.
- Includes replacement blade and safety guide to ensure longevity, safety and proper use of the tool (replacements for both can also be purchased separately).

**Quantity Per**

EA

**Product Description**

The HellermannTyton bench mounted wiring duct cutting tool is used to accurately measure and cut all HellermannTyton slotted and high density slotted wiring duct, solid dividers and covers.
